CUSTOM FIT 5G nano

gecko black ice case

stealth protection for iPod nano

Black Ice. Tinted see-thru shield, clear screen when turned on, stealth black when off. Highly advanced 2805pc resin polycarbonate provides maximum strength and protection for your iPod nano. Open bottom design allows easy access to your nano's dock connector and headphone jack.

Features:

Makrolon® polycarbonate tough
This Makrolon® polycarbonate hard case protects your iPod nano from bumps and scratches.

Click Wheel access
The cambered recess around the click wheel allows easy click wheel use without having to remove the Ice Case.

Clip together case
This slim 2 piece case simply clips together over your iPod nano to provide the ultimate clear protection without detracting from the iPod aesthetics.

Retail pack dimensions:
16cm x 10.3cm x 1.8cm (HxLxW)

Master carton (qty 48) pack dimensions:
40cm x 24.6cm x 26cm (HxLxW)
